

Audition Monologue #4

Everybody loves somebody. But sometimes it doesn't work out. Like Deb thought you were a bad influence or maybe you cheated on her or maybe nothing happened and she just stopped loving you or maybe she never loved you in the first place. That happens too. People just wind up together and then they wake up and they're like, "What the fuck am I doing?" And they leave. My dad did. Deb did. Everybody does. Or like the guy today, the guy who says he loves me. That guy's going to live the rest of his life and never get to be loved by the one person he loves. That's the saddest thing in the world. I think you're the same. You and me. Maybe we're just unlovable.
